The image shows a screenshot of a Twitter timeline on a Mac OS X desktop. The window title is "Timeline". On the left side, there is a vertical sidebar with several icons: a profile picture of a man, a speech bubble, an @ symbol, an envelope icon, a magnifying glass, and a large letter 'M'. The main content area displays a list of tweets, each with a profile picture, name, and text. The tweets are as follows:

- Mike Piontek** (1 hour ago): Sad to see the Apple TV wish list is still separate from the one in iTunes. So I still have to write down movies I'm interested in.
- Dropbox** (1 hour ago): @jessegrosjean PlainText is more popular than me! :) <http://db.tt/rLyjuu8>
- Mike Pinkerton** (1 hour ago): RT @DavidHasselhoff: Thought there was an intruder in my house.. Turned out it was just one of the life size cut outs of me #hoffprobs
- Marshall Kirkpatrick** (1 hour ago): RT @SG: Dear @Pistachio: Please send "Twitter for Dummies" to Barry Diller
- Top Drawer Apps** (1 hour ago): My Artists Lite is "ready for sale" — I'm just not quite ready to release it yet
- Steve Streza** (1 hour ago): RT @garywhitta: If they're gonna add a dimension to Star Wars prequels I'd prefer a second dimension to character and story over a third ...
- Marshall Kirkpatrick** (1 hour ago): LinkedIn is the greatest site on the web to learn more about people. I visit it daily. But I do NOT want to read Tweets there!! enough!!
- TUAW.com** (1 hour ago): TUAW TV Live: If at first you don't succeed, try again at 5 PM EDT <http://bit.ly/cy7rPc> [post]
- Gianni Rondini** (1 hour ago): 5 ore in dipartimento con un plumcake per pranzo...adesso potrei sbranare qualunque cosa! spero solo che arrivi presto la pizza :P
