This is basically a good step, since it means that you always install the latest version, although it might be frustrating if you want to install the program in a situation where you do not have access to an internet connection. You agree to comply with all applicable anti-corruption laws, including laws that prohibit unlawful payments to third parties for a corrupt purpose in relation to these Terms. The key editor actually used this feature as a toolbar section, but disappeared when the toolbars were redesigned before some versions, so it nice to see it again.
